Assessment Strategy

Assessment includes formative and summative evidence of skills and knowledge for the unit of competency.

This assessment strategy is competency based and aims to assess the participant's skills through the following:

1. Practical demonstration of dog grooming and animal handling skills.
2. Participation in various activities, role plays, presentations, demonstrations, scenarios, simulations and problem solving activities.
3. Participation in questionnaires and exercises for each module (pre, mid, and post topic duration).

Practical Assessments

Level 2 practical assessments can be carried out within a training facility or workplace.

Application will apply.

Detailed evidence will need to be collected.

Successful completion of all online and practical assessments are required to receive the certificate.

Certificate or Statement of Attainment is issued by the Parramatta College (RTO ID 90276).
